

SUGGESTIONS FOR ART SCHOLARSHIP APPLICANTS

Art scholarship applicants may consider additional instruction, advanced study, tutorial (private study with a teacher), or a program or summer program in art in the following categories: drawing, pastel drawing, design, figure drawing, figure painting, portrait drawing or painting, printmaking, encaustic painting, working in mixed media, painting on glass, illustration, etc.

Many art centers, colleges, universities and museums offer summer programs for artists. Information about these may be obtained on the internet.

Although no program or institution in particular is endorsed, every program or institution should be investigated. If a phone number or e-mail is not correct, Google the institution. Sometimes these change.
